

# Upgrading your heating? Upgrade to ATAG.

**ATAG**  
HEATING TECHNOLOGY

- ATAG's Grade A, energy efficient boilers are the perfect fit in any home
- We only supply to Gas Safe registered installers, for total peace of mind that your boiler is fitted to the highest standards
- ATAG has more than 68 years' experience of manufacturing super-efficient boilers worldwide
- We have been voted 'best boiler' by consumers for the past seven years in Holland

Choosing the right boiler doesn't need to be a headache, ATAG has the heating solution for you.

ATAG's experience is built on more than 68 years of making boilers to the highest technical specification for homes worldwide.

We pride ourselves on our manufacturing experience, meaning our ultra-efficient boilers deliver real savings to homeowners' energy bills.

Every ATAG boiler is full of grade A metal and brass components. ATAG's commitment to quality means we offer a unique lifetime replacement guarantee on our iCon heat exchanger as standard with each boiler.

**DON'T JUST TAKE OUR WORD FOR IT, READ OUR REVIEWS ON TRUSTPILOT, THE CONSUMER PRODUCT AND SERVICE REVIEW SITE.**

✔ TRUSTPILOT

"My direct debit on my gas bill was £75 a month. 6 months after my ATAG boiler was installed, I received £300 credit for this period! My direct debit has now been reset to £41 a month. Fantastic savings for us, more than we expected."

Mrs Cath Finchett, Sheffield.

"Made life easier and more convenient heating control at my fingertips. Best decision I made in having it installed. Work efficiently for my family and our requirements."

Mr Mody, St Albans, Herts.

# ATAG

## A name you can trust.

- ATAG compact boilers are the most energy efficient in Europe and can significantly reduce your energy bills by up to £570 a year.\*
- If you choose an iC Economiser boiler you could save a further £40 per year on hot water production.\*\*
- Backed by a unique lifetime replacement guarantee on our iCon Heat Exchanger, providing you with total peace of mind.
- Voted 'best boiler' by consumers in the Netherlands for the past six years, based on performance, usability and customer satisfaction.
- We only supply boilers to carefully selected Gas Safe registered installers, to provide you with an expert installing your boiler and an installer you can count on.
- All ATAG boilers come with a five year warranty as standard, with seven years on the Economiser range, and the option to extend up to 10 years on the complete range for total peace of mind.
- Achieve an A+ ErP rating through our iC Economiser boiler with our ATAG ONE controller.

A new ATAG boiler could save you up to £570 a year on your annual fuel bill\*

ATAG ONE controller. ErP class VI, contribution to system energy efficiency 4%

## Expect the most from your boiler

- Upgrading your current boiler to an ATAG 'A' rated, high efficiency condensing boiler means less money spent on gas and more in your pocket.
- Choice of flexible warranties up to 10 years on all ATAG boilers. Just ask your ATAG Installer Partner about the right one for you.
- Thanks to our quality engineering and built to last philosophy, we're able to offer you a lifetime replacement guarantee on your boilers 'engine', the iCon heat exchanger.
- Choosing ATAG for you and your family, means your heating system will be designed and installed by one of our carefully selected Gas Safe registered ATAG Partners.
- Installing an ATAG boiler can significantly cut your home's carbon emissions, helping you do your bit for the environment.
- An energy efficient ONE controller can make your new heating system much more efficient; saving you around 15% a year on gas consumption.

## The ONE controller Smart system control

The ATAG ONE controller is an internet connected digital programme to allow you to control your heating system remotely from a smartphone, tablet or laptop. It's so intelligent you could save a further 12%\* on your annual gas bills when fitted with an ATAG iC Economiser and reach A+ ErP rating for your home.

\*Compared with a combination boiler. \*\*Energy Saving Trust.
